A video player interface. The main video area shows a black and white photograph of three people in a dry, open landscape carrying pots on their heads. A white soundwave graphic is overlaid on the image, with several black circles of varying sizes scattered across the scene. The video player includes a progress bar at the bottom left showing 01:02 / 07:44, a play button, and a volume icon. Below the video player, there is a metadata section with a small profile picture, the text "MUSIQ3 - Culture", the title "En quelques mots, Lucile Bertrand, Maison des Arts de Schaerbeek", the subtitle "Douze artistes plasticien(ne)s tissent des liens entre les mots et les images.", the date "21.02.22", and the duration "7 min". To the right of the metadata, there are buttons for "Favoris" and "Partager", and a view count of "17 vues".
